Expert lecture report on 'YEWS Program'

Date of event: 7th March 2024

Venue: LR-11

Time: 03.00 p.m. to 05:00 p.m.

Participants: First year, Second year students

Twenty eight percent of the population of Maharashtra state is in the age group of 15 to 28 years. These young people are the future of this country. The 'Youth Engagement And Water Stewardship ' program that will be implemented at the institute level will help in building the capacity of youth to deal with the challenges like climate change and water scarcity. Considering this the institute organized an expert lecture on 'YEWS program' on 7th March 2024 by Mr. Avadhut Abhyankar and Mr. Vijay Sapkal from Centre of environment education, Pune, for first year and Second year students.

Mrs. Surbhi Gaoshinde introduced Mr. Avadhut Abhyankar and Mr. Vijay Sapkal to the attendees. Mr. Avadhut Abhyankar explained this three year program will be implemented from 2023 to 2025 in association with the Department of Higher and Technical Education, Government of Maharashtra, UNICEF (Maharashtra) and ACWADAM, Pune. Centre for Environment and Education (CEE), Pune and Why Waste? Bengaluru are the other two key partners in this program. Sixteen percent of the total drought-affected districts in the country are in the state of Maharashtra and groundwater withdrawal is increasing day by day. Climate change is also affecting agricultural and drinking water availability to a large extent in recent years. The far-reaching consequences of this will come before us in a dire form in the coming years and the future generation will have to bear the consequences. The 32% population of Maharashtra state is in the age group of 15 to 29 and if this young generation is engaged, trained then they will develop the technical and decision-making skills to solve the water problem in the future. Mr. Vijay Sapkal explained Why Waste?app to mobilize Young people championing water conservation habits by promoting behavioral Changes is aimed to transform the future of water conservation in the state and Strengthen Jal Shakti Abhiyan and Catch the Rain campaign. Through Colleges and Universities, the department is aspiring to strengthen the climate landscape analysis For youth engagement, contextualize climate empowerment, green skilling, more Hands on/interactive resources on localized climate action.

Mrs. Surbhi Gaoshinde proposed vote of thanks.

Mrs. Surbhi Gaoshinde

Lecturer
