E-mail: office@xaviertech.com

Ref No: XTECH/018/EXAM/256

Date: 13th November 2018

NOTICE

All the candidates appearing for the examination are hereby informed to take a note of the following:

1. If the termwork is not submitted or accepted, then the candidate will not be eligible for the practical as well as theory examination. If he / she appear then their result will be null and void (their performance will not be considered).
2. All the defaulter candidates of the previous semesters and who have applied for the Winter 2018 Term End Examination are to approach the concerned staff members for their submission of the termwork and shall have attend the practical examination in the respective course/s as per the time table. After successfully satisfying the criteria for eligibility and proper and complete submission of termwork (if applicable), the candidate will be allowed to appear for the examination heads of the respective courses.
3. The practical examination batches are conducted in allotted time slots, since many candidates finish their examination before the allotted time slot, and if some candidates of the next batch or backlog candidates are already present, they will be allowed to start their practical examination as and when a computer / laboratory equipment setup is available, if the internal faculty permits. This is permitted since each student has to complete his / her own practical examination completely separate from others. Candidates of the next batch or backlog candidates who come at their allotted time will be allowed to start at that time.

Dr. S. B. Ghungrad
